

## Do you need financial assistance for child care?

Financial assistance toward the cost of a licensed child care or recreational program may be available to eligible parents/guardians who are involved in employment, job searching, education or training.

## Child Care Fee Subsidy

Based on eligibility, parents may pay a portion of the daily cost of child care to the Child Care Centre or recreational facility, and the balance of the daily cost is paid directly to the Centre on their behalf.

## Ontario Works Child Care Assistance

Based on Ontario Works participation requirements, child care costs may be covered or reimbursed to a monthly maximum. This may include the cost of an informal caregiver.

For more information about accessing financial assistance for child care, call Andrea Tidd, 905-372-6846 or 1-800-354-7051, ext. 2481.
