

Basic Emergency Management Training

The member municipalities of Northumberland County are hosting a Basic Emergency Management Training Course. The Course is certified by Emergency Management Ontario as prerequisite to many specialized emergency training courses. The content provides an introduction to the basic concepts of emergency management in communities. The course is suitable for any person with an interest in emergency management. The duration of the course is three days. There are two options for the training. Each option has the same content.

Option #1 Date: May 14, 21, and 28 2009

King Edward Park Arena, 81 Elizabeth Street, Brighton

Option #2 Date: September 10, 17, and 24 2009

Baltimore Community Centre, 23 Community Centre Road, Baltimore

Target Audience: Business, Volunteers, and Municipal Staff who may be responsible for some aspect of **community** emergency management.

Facilitators: Ken Stubbings, Al Mann, Leanne Latter, Shari Lang,

Lunch: Will be supplied

Cost: \$80.00 (Includes lunch)

Time: 8:30 am – 4:30 pm

Course Content:

- Emergency Management in Ontario
- Community Hazard Identification Risk Analysis
- Mitigation, Prevention, Preparedness, Response, Recovery
- Emergency Operation Center
