

MAY 3 TO 10, 2009 IS “EMERGENCY PREPAREDNESS WEEK”

Scenario: You have been advised to evacuate your home on a moment's notice. Would you have time to get extra clothes, food, important papers, extra money, family photos, contact numbers, special items, and your pet's supplies? Flooding, industrial fires, propane explosions, or transportation accidents are existing occurrences in Northumberland County which may require an evacuation. Are you prepared? Here is how you can prepare an **EMERGENCY EVACUATION KIT**. During an emergency, you will be told the location and route you should evacuate to.
