

CONDITIONS

- A. Where a permit is issued in respect of:
- 1) **Height:** The load shall not be composed of articles loaded one on top of the other.
 - 2) **Width:** The load shall not be composed of articles loaded side by side or crosswise.
 - 3) **Length:** The load shall not be composed of articles loaded one behind the other and any overhang to the rear shall not exceed 4.65 m from the centre of the rearmost axle unless otherwise stated.
 - 4) **Weight:** The load shall not be composed of more than one article . When crossing bridges, vehicles of over 45,400 kg gross weight must be operated at the lowest practicable speed. Bridge postings and load restrictions pursuant to Part VII Of the Highway Traffic Act. Apply.
- B. Vehicles and loads, in excess of the width and/or length prescribed under Section 109 of the Highway Traffic Act shall be marked with four or more flags, one as near as practicable to each corner of the vehicle or load. The flags shall be bright red or orange in colour and shall be not less than 40 cm square. Where a vehicle or load is wider at any point or points on either side than at the corner, it shall, where practicable, be so marked with such a flag at the widest point on each side.
- C. Vehicles and loads in excess of the length prescribed under Section 109 Highway Traffic Act shall, in addition to the flags required under Conditions B. display on the rear, in a clearly visible position, a sign bearing the words "Long Load" in black letters at least 200 mm high with lines forming the letters at least 30 mm wide on a yellow background, or a "D" sign as illustrated below. The sign to be removed or covered when not in use.
- D. Notwithstanding Ontario Regulation 614, where the permit specifically provides for exemption, loads may be moved under this permit provided they are firmly bound, or otherwise secured or loaded, in such a manner that no portion of the load may become dislodged or fall from the motor vehicle or trailer on which they are being transported.
- E. **Note:** Where a permit is issued on condition the permit holder provide Private Escort Vehicle or Vehicles:
- 1) The escort vehicle (s) shall be operated by a person not less than 18 years of age
 - 2) The escort vehicle (s) shall not have more than 2 axles and a wheelbase length of not less than 2.65 metres and shall be equipped with an amber flashing roof light visible from the front and rear for a distance of at least 150 metres and shall precede on a two lane highway or follow on a four lane highway at a distance of 60 to 150 metres and shall bear a sign clearly visible for a distance of at least 150 metres, "CAUTION OVERSIZE LOAD FOLLOWS" or "CAUTION OVERSIZE LOAD AHEAD" as the case may be in black letters at least 200 mm high with lines forming the letters at least 30mm wide on a yellow background, or a "D" sign as illustrated below. The sign to be removed or covered when not in use.
 - 3) When escorting a movement in excess of 4.00 metres in width, the escort vehicle(s) and towing vehicle(s) shall be equipped with a working two way radio communication device permitting inter-communication between the vehicles
 - 4) An escort vehicle shall be equipped with a fire extinguisher in effective working order, six 45 cm (18") traffic cones and/or portable reflectors approved by the County, and extra bulbs to maintain all lights required by this schedule.
 - 5) All units, including the escort vehicle (s) will be operated with headlights on, when traveling on a highway.
